

Today is the World Lymphoma Awareness Day. To commemorate this day at DUWA we are planning to organize a programme on **Friday 18th September 2015 at 3:00 pm.**

This day is dedicated to raise awareness of Lymphoma, an increasing common form of cancer. DUWA is organizing this programme in collaboration with “**JaanogetohJeetoge**”. Lymphoma Support Group India (www.lymphomaindia.org), where the lymphoma survivors will share their experiences and an eminent oncologist will deliver a talk as well as address to your queries.

Let us all be a part in this important day to improve awareness and understanding of lymphomas. Members, especially the college teachers, are requested to kindly spread the message about this programme among your students and request them to join us on that day. Posters are available at DUWA, if you want to put in your colleges.
